PROFILE

Hi I am a highly skilled Front-End Developer with expertise in HTML, CSS, and JavaScript. I am proficient in building responsive and interactive interfaces using React, Tailwind, and Bootstrap, ensuring optimal performance across different devices. I have experience in integrating front-end with back-end systems using Django. Additionally, I am well-versed in using Git and GitHub for effective version control and collaboration. I have strong problem-solving skills with a focus on debugging and optimizing web performance. I am committed to delivering scalable, maintainable, and high-quality code for mobile-friendly web applications.
